Dear Mr Stafford

I am writing in connection with the renewal of your 2017 registration with Organic Farmers & Growers C.I.C.

As the certification process has now been completed, I am pleased to enclose your Certificate of Compliance for the coming year.

Please check it for errors or omissions and if any are found, amend the original Certificate and return it to me for correction and reissue.

The Certificate is a legal document that defines your legal status. Please keep it in a safe place.

If you have any queries concerning the above, or anything in the future regarding organic standards, including our Control Manual, please do not hesitate to contact us.

Yours sincerely
